GUERNSEY GOLD PRODUCTION CONTEST

The Guernsey Gold Heifer Sale started in 1986 as a small sale of select open heifers for junior members. In 2003, we saw 8 calves sell through 4 different sales that were entered in the Guernsey Gold calf project. These 8 calves sold for an average of \$2,700 to youth in 5 states. The top production winner of this group will be awarded nearly \$1,300 at the 2006 National Convention.

In 2004, six sales are participating in the Guernsey Gold program. The following sales will put monies into the Guernsey Gold pot:

1. Pennsylvania Blue Halter Sale
2. Kentucky National Sale
3. Upper Mid-West Spring Sale
4. International Guernsey Classic
5. National Convention Sale
6. Ozark Jubilee Sale

Lot #GG01 Sells in the Guernsey Gold Program

We encourage all juniors to participate in this program by bidding on the Guernsey Gold consignments. The production winners from the calves purchased this year will be recognized at the 2007 National Guernsey Convention.

The American Guernsey Association is very appreciative of the breeders who have nominated top-pedigreed heifers for this program. We also extend our thanks to the sale managements who have agreed to donate the monies into the Guernsey Gold pot.

RULES

1. Fifteen percent of the sale gross will be set aside for the production contest.
2. Purchaser must be between six and 19 years of age as of January 1 of the year he or she buys the calf.
3. The heifer must calve before reaching 30 months of age to be eligible to compete in the production contest.
4. The production contest ranking will be based on the animal's 2-year-old mature equivalent pounds of protein. These records must be DHIR or official DHI.
5. All heifers must be tested in a DHIR or DHI herd owned by the purchaser or the purchaser's parents or legal guardian. In the event that this is not possible, a written request may be made to the executive secretary for permission to test the animal in another herd in an adjoining county or area.
6. A junior member may not purchase an animal consigned by his or her immediate family.
7. A junior member may purchase only one Guernsey Gold Heifer Sale consignment per year.
8. Monies in the production contest fund will be divided into four prizes as follows: first - 40 percent; second - 30 percent; third - 20 percent; and fourth - 10 percent.
9. Heifers sold in 2004 will compete in the 2007 production contest. (Sell in 2004; calve in 2005 or early 2006; finish record in 2006 or early 2007.)
10. Loss, death or transfer of ownership of any purchased animal before the record is completed eliminates that entry and owner from the production contest.
