GUERNSEY GOLD YOUTH PRODUCTION CONTEST

Eldon Moss Memorial Award - \$500 will be awarded by random drawing to the buyer of one of the four Guernsey Gold Contest heifers at the National Convention Sale. This award is given in memory of Eldon Moss of Iowa City, Iowa, who loved to support Guernsey youth, by his wife Joann.

The Guernsey Gold Heifer Sale started in 1986 as a small sale of select open heifers for junior members. In 2002 we saw seven calves sell through two sales that were entered in the Guernsey Gold calf project. These seven calves sold for an average of \$1,982. The top production winner of this group will be awarded over \$830 at the 2005 National Convention.

In 2003, five sales will be participating in the Guernsey Gold program. The following sales will put monies into the Guernsey Gold pot:

1. Pennsylvania Blue Halter Sale
2. National Convention Sale
3. International Guernsey Classic
4. Hoosier State Classic
5. Ozark Jubilee Sale

We encourage all juniors to participate in this program by bidding on the Guernsey Gold consignments. The production winners from the calves purchased this year will be recognized at the 2006 National Guernsey Convention. The American Guernsey Association is very appreciative of the breeders who have nominated top-pedigreed heifers for this program. We also extend our thanks to the sale managements who have agreed to donate the monies into the Guernsey Gold pot.

RULES

1. Fifteen percent of the sale gross will be set aside for the production contest.
2. Purchaser must be between six and 19 years of age as of January 1 of the year he or she buys the calf.
3. The heifer must calve before reaching 30 months of age to be eligible to compete in the production contest.
4. The production contest ranking will be based on the animal's 2-year-old mature equivalent pounds of protein. These records must be DHIR or official DHI.
5. All heifers must be tested in a DHIR or DHI herd owned by the purchaser or the purchaser's parents or legal guardian. In the event that this is not possible, a written request may be made to the executive secretary for permission to test the animal in another herd in an adjoining county or area.
6. A junior member may not purchase an animal consigned by his or her immediate family.
7. A junior member may purchase only one Guernsey Gold Heifer Sale consignment per year.
8. Monies in the production contest fund will be divided into four prizes as follows: first - 40 percent; second - 30 percent; third - 20 percent; and fourth - 10 percent.
9. Heifers sold in 2003 will compete in the 2006 production contest. (Sell in 2003; calve in 2004 or early 2005, finish record in 2005 or early 2006.)
10. Loss, death or transfer of ownership of any purchased animal before the record is completed eliminates that entry and owner from the production contest.
