

The Buckeye Classic Sale has been an institution of the Buckeye Dairy Club since 1981. The sale provides an opportunity for all involved to learn as both students and dairymen. The sale also serves as a gateway, linking the university, fellow alumni and other industry professionals for a lifetime of connections, learning and service. Every year, The Buckeye Dairy Club members work hard to build a high-caliber sale with top-quality consignments, and we are proud to say that after a year away, the Guernsey edition has returned. New to the sale this year, is the sale partnership with the Ohio Guernsey Breeders' Association and the addition of a Guernsey Gold consignment. Cattle designated as Guernsey Gold are only eligible for youth purchase. This consignment will be eligible to receive a cash award after completing its' two year old lactation so be sure to refer to the rules provided in this catalog.

It is only fitting that with the involvement of the Buckeye Dairy Club, we announce the formation of the 1st Annual Ohio Junior Guernsey Breeders' Scholarship. The Ohio Guernsey Breeders are committed to providing programs and services that promote our greatest asset, our youth. The \$500 annual scholarships will reflect Woody Hayes' philosophy of paying forward to enhance opportunities for future generations.
