Ron Woodman has been commuting weekly to a job in Ohio for some time. His son is heading to UW-Madison to study agriculture. Therefore, the herd needs to be sold. This is an honest herd of cows, managed in loose housings and milked in a parlor. The largest Guernsey sale of the year will be a great opportunity to add quality Guernseys to your herd at farmer prices. Woodale Guernseys has sold many quality calves for 4-H projects in recent years that have gone on to be very successful for their new owners. Current milk weights and somatic cell info will be provided on sale day.
