Postmark date determines qualification. All regional, state and national show placings should be included on the entry form by the exhibitor or the animal will be disqualified. For group classes, list only those shows at which that EXACT group was shown. FAILURE TO LIST ALL PLACINGS AT NATIONAL SHOWS WILL AUTOMATICALLY DISQUALIFY THE ANIMAL(S) AND ENTRY WILL BE FORFEITED. FAILURE TO CORRECTLY LIST ALL OTHER MAJOR SHOWS WILL RESULT IN DISQUALIFICATION. For consistency, please use the National show titles in show placing. NGS/NJS-Harrisburg; NGS/NJS-Madison; NGS/NJS-Louisville; NGS/NJS-Monroe.

ENTRIES MUST BE AT PUREBRED PUBLISHING BY NOVEMBER 16, 2026.

It is encouraged that ALL photos be submitted electronically either from the professional photographer or owner to allamericanentry@gmail.com.

PICTURES MUST BE RECEIVED BY PUREBRED PUBLISHING BY NOVEMBER 23.

If hard copy submitted, each picture must be 5 x 7 professional livestock unretouched color glossy print. ON THE BACK MUST BE NAME, REGISTRATION NUMBER AND DATE TAKEN. Pictures must be taken during the current

year and show the animal in the same stage of growth and/or lactation as when making the qualifying show ring appearance. Pictures will remain in the Purebred Publishing and AGA office files after the contest and become the permanent property of the AGA for any promotional purposes. For competition in the group classes, an individual picture of each animal in the group must be submitted. The pictures must be of the animals which are shown when the group qualified for entry. If substitutions are made in a group from one show to the next, different entries must be made for each qualifying combination.

All applicants must be in good standing with both Purebred Publishing and AGA. Any accounts 90 days or more past due will be ineligible until balance is paid in full or payment arrangements are established with each entity.

THE CONTEST - A committee of the four judges of the National Guernsey shows will select the six top entries in each class as All-American nominees. The selection committee that chooses the All-American winners will consist of judges from state, regional, and national shows that have had results submitted by state/show secretaries to Purebred Publishing, and at least one animal exhibited at their respective show has been entered in the contest. Pictures and placings of the six nominees in each class will be sent to each selection committee member. The judges will vote individually electronically, giving first, second and third choices in each class. Judges are prohibited from ranking classes in which they have bred, own, or have other interest in any animal(s) entered. Each first-place vote shall count seven points, second place shall count three points and third place shall count one point. AGA staff will determine the awards by simple arithmetic. The class entries receiving the highest number of points shall be named All-American, those receiving the second-highest point total shall be designated Reserve All-American, and those with the third-highest total will be designated Honorable Mention. In case of a tie, the entry with the most All-American votes will receive the higher honor. If a tie still remains, the animal with the most Reserve All-American votes will receive the higher position. If the entries have the exact same vote point breakdown, then the nominees tie for the highest honor in question. The nominations and winners will appear in the Spring 2027 *Guernsey Breeders' Journal* and will be published on usguernsey.com.
