

Active Members of the American Guernsey Association

Listed below are the current members on file with the AGA effective February 16, 2024. As defined by the AGA Constitution: "A membership shall retain its full term, but be classified as active or inactive as follows: a) an active member shall be one in which at least one application for registration in the name of the membership; or at least one application for transfer of ownership into the name of the membership shall have been received by the records department of the AGA within two years prior to January 1 preceding an annual meeting. b) a membership shall be declared inactive when there has not been received in the records department at least one application for registration in the name of the membership; or at least one application for transfer of ownership into the name of the membership within two calendar years prior to January 1 preceding an annual meeting. c) a membership having been classified as inactive shall automatically be reinstated to active status upon fulfilling the requirements of section a, defining active status. d) an individual membership of an individual, who is a shareholder, partner, or other joint ownership arrangement that is a member shall be classified as an active membership if at least one application for registration or transfer in the name of the corporation, partnership or joint ownership membership has been received by the records department within two calendar years prior to January 1 preceding the annual meeting, provided that the corporations, partnership or joint owners file with and maintains with the Executive Secretary of the Association a current and complete list of all shareholders, partners and joint owners."

If you do not see your name on this active membership and believe it to be an error, or see a name that is deceased, please contact the office at 614.864.2409 immediately to verify membership status by April 15, 2024 to receive a ballot and membership mailing for 2024.

Note: only Districts 3, 6 & 7 are voting on Director positions this year; but ALL members will be requested to vote on a Bylaws Amendment at the Annual Meeting on June 22nd - so please verify your membership regardless of area.
